

Fiction Slayer Punk is a metafictional, chaotic, and symbolic story created by Magik Melody Machine. It explores identity, multiplicity, narrative recursion, and open-source mythmaking.

This work, including all characters, plots, names, stylized spellings, and derivative names such as Fiction Slayer, Fiction Punk, BiG Byte Burger, and related concepts, is dedicated to the public domain under the Creative Commons CC0 1.0 Universal license.

As a part of the people's birthright, the BiG Byte Burger represents the open source of desire, power, and the chaotic energy of creation. No one owns the BiG Byte Burger, and everyone is welcome to share, remix, and feast upon it. It is a symbolic part of the narrative that connects us all.

Anyone may remix, adapt, use, build upon, and even profit from this work without permission or attribution. This post serves as a public domain dedication and timestamp.
